The New Governance Team

Under the auspices of the Institute of Directors (Cyprus Branch) and in response to the overwhelming public demand, the New Governance Team ('NGT'), comprised of volunteers from the public, private and other sectors with long experience in this or related fields, has developed a code of governance specifically for the Cypriot public sector.

Friedrich-Ebert-Stiftung

The FES is a German non-profit-making, private, independent and cultural organisation. It has been active in Cyprus since 1986. The Nicosia office is part of a global network comprising 107 local branches. Between 1986 and 2011, the Cyprus branch was administered by the Athens office, however, since 2011 the FES Cyprus has had its own small office in Nicosia.

Reboot

Reboot is a social impact firm dedicated to inclusive development and accountable governance. Reboot solves civic problems. We work with change agents in government, civil society, and philanthropy to achieve their social missions.

Dubai Centre for Risk & Innovation

The Dubai Centre for Risk & Innovation is a unique and ambitious Centre of excellence for research, education and capacity building in enterprise risk, innovation management and allied disciplines. Based at The British University in Dubai (BUiD), DCRI is a multidisciplinary research centre/hub connecting researchers, senior executives and practitioners across the MENA region; and into a global management network.
